

Checking in, Getting to Know You

*** Some of you may know my sweet cat Rimsky passed away last spring—he was such a lovely boy and is much missed.

(but here are some of my sweet companion cats and dogs of friends and family!)

Checking in, Getting to Know You

****Please answer the following questions and submit to the Moodle folder entitled “Checking in”—you’ll find it under Monday’s class folder.**

1. Your Name

- including any short forms/nicknames/other names you would like me to use.
- Think there’s a chance I might mispronounce your name? If so, feel free to give me a hint!

2. Pronoun(s):

3. Major and Year at Crane (I know this can be tricky, feel free to give me the details!)

4. Instrument (s), voice type:

5. Any technology concerns for this fall? (bad wifi, no personal computer, etc etc)

6. Do you have a need for accommodations this fall? Let me know if so!

7. Do you have any concerns about this fall? Personal, professional, music historical....feel free to fill me in!

8. What’s one piece of music you listened to this summer?

- Note: this is not meant as an opportunity for judgement, I’m genuinely interested in your knee-jerk response about whatever you’ve been tuning into, whether that’s a piece on your favorite video game, or a nostalgia track from five years ago because that’s what you *need right now*.....

9. A quirky fact about you!

- *quirky=unexpected, unusual in an interesting way, strange in a somewhat silly, awkward manner, potentially funny, an idiosyncrasy

10. Do you have any pets? (no judgment if you don’t, but if you do, fill me in on your awesome pet friends, I’m all ears....)
