Dr. Erin Brooks
Schuette A102
Music History

Dear Erin:

CONGRATULATIONS for being selected as a 2023 Favorite Faculty member from the Crane School of Music. As part of Potsdam Appreciation Week (PAW), sponsored by the Emerging Leaders student group, we coordinate a favorite faculty/staff/department recognition effort each year. The goal is to encourage students to vote for their favorites across campus and provide an opportunity for students to leave special comments/shout outs to thank those members of the campus community they wished to recognize.

We are thrilled to share the following comments with you that were provided by students:

- She's such an incredible professor who goes above and beyond for her students. She completely changed her curriculum for her Music History III class to make it more relevant for the students. She asks thought-provoking questions and assigns assignments that actually make sense to the class. This is something many professors lack.
- Thank you for always being so welcoming, accepting, and understanding. You're one of a kind and I am so thankful to have been your student. Your teaching has shaped me for who I am and for my teaching, and I will always be grateful. Thank you for being you!
- She is always honest, gives space for students to express themselves, and shares her wide knowledge with the class in an engaging way.
- Fantastic professor. Very knowledgeable and caters her classes to fit real-life scenarios.

Thank you for all you do to support students at SUNY Potsdam! You can learn more about Emerging Leaders on Get Involved here: <https://getinvolved.potsdam.edu/organization/el>. Feel free to contact Ruth Policella at policera@potsdam.edu for additional information about PAW or Emerging Leaders
