GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

This is an unexpectedly pleasant learning period of music. I had already covered this era previously between a faster paced I + II course @ another institution. It was excellent to have a more in depth view of the 20th/21st century.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I have NOT learned more from another professor in my two years at Crane.

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I liked the format of the course overall, but wish that there had been more of an opportunity for graded assignments - the structure of exams was a bit overwhelming, especially w/ the heavy weight in the course.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Very knowledgeable in subject material - really enjoyed!
