17 - THE COURSE: Please comment on course content, requirement or any other aspect of the course.	
Response Rate	4/16 (25%)
• This was a very interesting course! • This class was very interesting. I feel like every single class period I was challenged to think deeper • Dr. Brooks is one of the smartest, well educated ladies I have ever had the pleasure of learning from. I think she could ask more of us. I think she was too generous with homework policies. I would appreciate a little more feedback on the assignments I turned in. I have no idea if they were any good. • I really enjoyed this class. Very awesome to learn about several different topics.	

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Erin Brooks. Would you take another course from this instructor? -	
Response Rate	4/16 (25%)
• I liked the way Dr. Brooks cared to get to know the class - would definitely take another course with her if I could! • I would love to take another course with Dr. Brooks! My only complaint is that she doesn't teach more graduate level courses. • I would LOVE to take another course from Dr. Brooks. • Enjoyed the lectures on different topics. I wish we focused more on newer music. I also wished the homework could've been assigned on Thursday and not Tuesday. The turn around from Thursday to Tuesday is easier than the 48 hours to do the homework. I would love to take a class with Dr. Brooks.
